Summary

Experienced Senior AI Engineer with 10 years of hands-on experience in machine learning, deep learning, and natural language processing. Proficient in Python, TensorFlow, and PyTorch. Strong track record of leading successful AI projects from conception to deployment.

Education

Stanford University
Bachelor of Science in Computer Science
Sep, 2008 - Jun, 2012

Technical Skills

Python, Machine Learning, Deep Learning, Natural Language Processing, TensorFlow, PyTorch, Computer Vision, Data Science, SQL

Soft Skills

Leadership, Problem-solving, Communication, Team Management

Additional Skills

Research, Project Management, Technical Writing

Languages

English, Hindi

Certifications

- Certified Machine Learning Engineer
- Deep Learning Specialization

Work Experience

AI Solutions

Lead AI Engineer

Jul, 2014 - Aug, 2021

AI Solutions is a leading provider of AI-powered solutions for businesses.

- Led a team of AI engineers in developing a chatbot platform used by 1 million+ users.
- Implemented state-of-the-art deep learning models for image recognition tasks.
- Published research papers in top AI conferences.
- Provided technical guidance and mentorship to junior engineers.

TechInnovate

Principal AI Scientist

Sep, 2021 - Mar, 2024

TechInnovate conducts research and development in AI technologies.

- Developed algorithms for personalized recommendation systems, increasing user engagement by 30%.
- Led research projects in natural language processing and sentiment analysis.
- Collaborated with cross-functional teams to integrate AI technologies into products.
- Received awards for innovation and technical excellence.
