Summary

Aspiring AI Engineer with 2 years of experience in machine learning and data analysis. Proficient in Python and basic machine learning algorithms. Eager to learn and contribute to projects in the field of artificial intelligence.

Education

Boston University

Master of Science in Computer Science

Sep, 2021 - Jun, 2023

Technical Skills

Python, Data Analysis, Machine Learning

Soft Skills

Communication, Teamwork, Willingness to Learn

Languages

English, Mandarin

Work Experience

DataTech

Data Analyst Intern

Jun, 2022 - Jun, 2023

DataTech specializes in providing data-driven solutions for businesses.

- Assisted in data cleaning and preprocessing tasks.
- Performed basic statistical analysis of datasets.
- Developed simple machine learning models under supervision.
- Participated in team meetings and contributed ideas for project improvement.
